FYI,

The clothianidin feeding study data contained in the spreadsheet provided in October is the same as in the final report.

Hi, Tina:

Just got confirmation from Bayer personnel. The CCA data in EXCEL which was included in the interim report remains unchanged and is used in the final report. The interim report was submitted by Bayer around 10-2-2015. If you need a copy of the EXCEL sheet, please let me or Jamin know. Hope this helps.

Hi Sue,

We've received the study report, thanks.

Will a QA'd version of the spreadsheet also be submitted? We've been holding off on any analysis until we receive the final spreadsheet.

Thanks,

-Tina

Just learned that it will be more likely to receive the paper copy for submission from a vendor on Tuesday or Wednesday.

Good morning, Ricardo, Just a quick update re. colony feeding study final report. We just received it. It will be printed by a vendor and then submitted by us to the front desk via a paper submission (3 copies) tomorrow or Monday morning. PRD does not accept DCI reports via e-Portal at this moment. Jamin
